

# DON'T MOVE FIREWOOD

Adult emerald ash borer

## Stop the Spread of Emerald Ash Borer and Other Woodland Pests

**Moving firewood out of these  
emerald ash borer quarantined counties  
IS PUNISHABLE BY FINES:**

- 
- |              |              |             |
|--------------|--------------|-------------|
| • Genesee    | • Wayne      | • Oakland   |
| • Jackson    | • Macomb     | • St. Clair |
| • Lenawee    | • Ingham     | • Washtenaw |
| • Shiawassee | • Lapeer     | • Monroe    |
|              | • Livingston |             |

*Help save Michigan's 19 million acres of forest land*

# DON'T MOVE FIREWOOD

**Emerald ash borer only infests ash trees**

**Ash tree bark**

**Ash tree leaf**

---

**When camping, hunting, boating or fishing,  
look for these tell-tale signs  
of emerald ash borer infestation:**

**D-shaped exit holes**

**S-shaped  
galleries**

**Emerald ash  
larva**

*Actual size  
1½ inches*

**For more information, or to report possible infestation, call the Michigan Emerald Ash Borer hotline:**

**1-866-325-0023**
